

Car Show Rain-Out Policy

We look forward to a great day celebrating cars with our community! However, if weather conditions make it unsafe or impractical to hold the event, the Gulf Coast Region may choose to postpone or cancel the show.

Rain or Shine:

Light rain or cloudy weather will not stop the show. We will only cancel for severe weather such as heavy rain, lightning, flooding, or other unsafe conditions.

Decision Time:

We will start judging at the cutoff time of 11 am and proceed with judging, once tabulated, trophy awards will proceed

No-Shows:

If the event is held as scheduled, we are unable to issue refunds for participants who choose not to attend due to weather concerns.

Our goal is always to keep everyone safe while still having a fun and enjoyable event. Thank you for your understanding and support—we hope to see you and your car at the show!
